Patriot Day

I think it is important that everyone say a prayer or offer a moment of silence on Patriot Day. Patriot Day is celebrated every year on September 11th to remember the 2,977 people who died on that sad day in 2001 when our country was attacked. Not to be confused with "Patriot's Day", which is celebrated in Massachusetts, Patriot Day was designated as a Remembrance Day by President George w. Bush in December 2001. In 2012 President Obama renamed it Patriot Day and National Day of Service and Remembrance. On September 11, Flags will fly at half-staff as our country will share a moment of silence at 8:46 AM. Please remember those 2,977 victims in your prayers.

Mary's Corner

When I sit in the dining room I hear many of you talking about your childhood memories and I love hearing your stories. Being that most of you are older than me, I find your stories much more interesting. Your parents, how they met, what country they were from, how they made certain foods, how much it cost then, it is so good you remember those things and keep the past alive! Continue those thoughts. 😊

September's birthstone is sapphire. This gem stone is similar to a diamond, can you guess why? It's one of the hardest materials on Earth. Sapphire actually comes in nearly all colors except red. Sapphires are the traditional gift for the fifth and the forty-fifth wedding anniversaries. It symbolizes truth and sincerity.

The flower of the month is Aster. I love these flowers for a few reasons. They are late bloomers (mid to late summer), they come in a variety of colors, they have a yellow or black center, they are perennial, blooming year after year following the first year of dormancy. I love them most of all because they make a beautiful flower arrangement for their shades of colors and they hold up for a long time.

September famous birthdays are Patsy Cline (singer) Sept 8, 1932; Rodger Maris (baseball) Sept 10, 1934; Lauren Bacall (actress) Sept 16, 1924; Sophia Loren (actress) Sept 20, 1934; Ed Sullivan (TV host) Sept 28, 1901; and, Grandma Moses (artist) Sept 7, 1860.

In closing here is a fun fact for September called "Home of the Whopper." It's no lie in New Harmony Indiana the third Saturday in September brings the Big Whopper Liar's Contest. These aren't little white lies, but long well thought out tales; expertly crafted to bring tears of laughter to audience member's eyes. There was the one story about a woman who discovered that her grandma's trick for the perfect pie crust involved pressing her false teeth into the dough.

When I read these I thought, what a way to use false teeth! 🦷
Have a good month. See you in October.
